1. Scan and crop the check BACK using your scanner's built-in software
2. Save as grayscale, JPEG, 300 DPI, cropped to smaller than 1MB
3. Click Browse (most browser) or Choose File (Safari)
4. Select the file with the image of the FRONT of the check
5. Click CONTINUE

Scan the front of the check using your own scanner software. Use your own scanner's settings to scan you image as grayscale, at 300 DPI resolution. Save the image on your computer. The final size of your JPEG image must be smaller than 1MB. When done, simply upload your image.
