Scanner Driver

All your TWAIN or WIA scanner drivers are listed.

Click on any scanner driver to use our easy built-in scanning and cropping.

---OR---

Click on "Use Your Own Scanner Software" at the bottom of the list for networks scanners, or to scan and crop using your scanner's built-in software.

Please click on the yellow information bar above to install the EZTwinX ActiveX control. For more detailed instructions, click the help link.

If this is the first time you are using eDeposit you will have to install Active X, which will configure your scanner for eDeposit. Follow the installation instructions at the top of your browser window. Once installed, your scanner driver will appear in the drop down menu on the left.

Where is the home position on your scanner?

Most scanners have a small arrow or dot which shows where to place your document. Locate that spot and choose the corresponding one in the diagram below. If you can't find it, please consult your owner's manual.

Locate a document position arrow or dot on your scanner and match it with one of the positions on the diagram
